permission of BIS or used as Standard****Last Date for receipt of Comments  
is 15 February 2012****NATIONAL FOREWORD**

This Indian Standard which is identical with ISO 2146:2010 'Information and documentation -- Registry services for libraries and related organizations' issued by the International Organization for Standardization (ISO) is to be adopted by the Bureau of Indian Standards on the recommendation of the Documentation and Information Sectional Committee (MSD 5) and approval of the Management and Systems Division Council.

The text of ISO Standard has been approved as suitable for publication as Indian Standard without deviations. Certain conventions are however not identical to those used in Indian Standards. Attention is particularly drawn to the following:

“Wherever the words ‘International Standard’ appear referring to this standard, they should be read as ‘Indian Standard’.”

In the adopted standard, normative reference appears to certain International Standards for which Indian Standards also exist. The corresponding Indian Standards which are to be substituted in their place are listed below along with their degree of equivalence for the editions indicated:

| <i>International<br/>Standard</i>   | <i>Corresponding<br/>Indian Standard</i>   | <i>Degree of<br/>Equivalence</i> |
|---|--|----------------------------------|
| ISO 3166-1:2006 Codes for the representation of names of countries and their subdivisions-Part 1: Country code    | IS 14836 (Part 1):2009 Codes for the representation of names of countries and their subdivisions: Part 1 Country codes ( <i>first revision</i> ) | Identical                        |
| ISO 4217:2001 Codes for the representation of currencies and funds  | * IS 15413:2003 Codes for the representation of currencies and funds   | -do-                             |
| ISO 8601:2004 Data elements and interchange formats - Information interchange - Representation of dates and times | IS 7900:2007 Data elements and interchange formats - Information interchange - Representation of dates and times ( <i>third revision</i> )       | -do-                             |

\* The revised version of IS 15413 based on ISO 4217:2008 is under print.

The technical committee responsible for the preparation of this standard has reviewed the provisions of the following International standards in this adopted standard and has decided that they are acceptable for use in conjunction with this standard.

| <i>International Standard</i> | <i>Title</i>   |
|-------------------------------|--|
| ISO 639-2                     | Codes for the representation of names of languages - Part 2: Alpha-3 code                                    |
| ISO 3166-2                    | Codes for the representation of names of countries and their subdivisions - Part 2: Country subdivision code |

Annex A of this standard forms an integral part of standard. Annex B to F of this standard are for information only.
