NATIONAL FOREWORD

This Indian Standard which is identical with ISO 29861:2009 ‘Document management applications -- Quality control for scanning office documents in colour’ issued by the International Organization for Standardization (ISO) is to be adopted by the Bureau of Indian Standards on the recommendation of the Documentation and Information Sectional Committee (MSD 5) and approval of the Management and Systems Division Council.

The text of ISO Standard has been approved as suitable for publication as Indian Standard without deviations. Certain conventions are however not identical to those used in Indian Standards. Attention is particularly drawn to the following:

“Wherever the words ‘International Standard’ appear referring to this standard, they should be read as ‘Indian Standard’.”

The technical committee responsible for the preparation of this standard has reviewed the provisions of the following International standards referred in this adopted standard and has decided that they are acceptable for use in conjunction with this standard.

<i>International Standard</i>	<i>Title</i>
ISO 12651	Electronic imaging – Vocabulary
ISO 12653-1	Electronic imaging – Test target for the black-and-white scanning of office documents – Part 1: Characteristics
ISO 12653-2	Electronic imaging – Test target for the black-and-white scanning of office documents – Part 2: Method of use
ISO/IEC 15775:1999/Amd. 1: 2005	Information technology – Office machines – Method of specifying image reproduction of colour copying machines by analog test charts – Realisation and application – Amendment 1
